Take a walk through a California orange orchard without leaving your home. Orange Squeeze is a unique strain that has extraordinary aroma and flavours. Overwhelming citrus notes emanate from these nuggets the second you pop open the package. Hailing from the legendary genetics of Orange Tree and Mimosa, this crowd pleaser will delight any circle you sesh with. You can count on receiving nice round nuggets with heavy trichome production, plenty of orange hairs and hints of purple. Smoking reveals a

flavour forward strain with dominant citrus flavours, rounded out by notes of bergamot, vanilla and clove that linger long after your last puff. The taste of Orange Squeeze is certain to knock your socks off! Hand watered, hand trimmed and grown indoors, all our plants get the love and care they deserve. Partake, your way, with Orange Squeeze.
